

Property Tours

Each of the following tours here on the Mango Walk property build upon one-another so that each include the content/descriptions of the tour(s) listed above it.

Permaculture Forest / Farm Introduction

Venture onto some of our beginner's hiking trails right into our forest to gain a real sense of the incredible amount of plant and animal diversity all around, down to our creek and optionally our waterfall, and see what permaculture really means through the natural workings of our jungle and primary forest. A light hike/walk around our 15acre-grounds to show you our main trails, the diverse animal and plant-life of the Caribbean coast, the environmental projects that make-up Global Creek, and some of our incredible lookout points. Learn about and taste some of the many edibles and medicinal plants surrounding us and more.

Length: Approx. 45-60min

Cost: C 7,⁵⁰⁰pp (groups of 2-4), C 6,⁵⁰⁰pp (groups of 5+)

An Introduction to Chocolate and the Life of a Cacao Forest

See everything in our *Permaculture Forest/Farm Introduction Tour* (above), plus learn all about cacao (or "cocoa")! We will take you through the history of cacao in the Caribbean, Costa Rica and through the world, you will see how cacao grows, learn about the plants and animals that are an integral part of the process and our cacao farm and forest, and all the steps along the way from bean to bar in the natural and professional chocolate-making process. Taste pure cacao right from the pod off the tree, raw sun-dried and roasted cacao, and finally the finished gourmet professionally-tempered chocolate product.

Length: Approx. 60-100min

Cost: C 11,⁰⁰⁰pp (groups of 2-4), C 9,⁵⁰⁰pp (groups of 5+)

The Life of our Land – Chocolate, Permaculture, Local Area and History Tour

An integrated hiking, viewing, tasting and learning tour of all the wonder that makes-up the incredible land of the Costa-Rican Caribbean including all the vibrant plant & animal life, edible & medicinal plants and all the growth around, and all of the amazing interactions therein. Learn not only about everything outlined above but also much more about the local history and culture of this entire area as we take you up to some of the highest and most majestic lookout points on the entire coast!

Length. Approx. 90-160min

Cost: ₡ 13,000 pp (groups of 2-4), ₡ 11,000 pp (groups of 5+)

Sunset & Nighttime Wildlife-Viewing and Hiking

Choose the next level of adventure and add a whole new element of uniqueness and splendor to any one of our tours listed here by joining us for a professionally-led excursion over the sunset hours or at nighttime! Witness the transition from diurnal to nocturnal life, hear the chorus of wildlife as the sun sets, view the amazing colours and reflections of the setting sun and rising moon over the Caribbean sea, and spot the many forest animals and tree-dwellers that come out to play in the dark. A truly unforgettable experience!

Cost. Add only ₡ 3,000 pp to the tour of your choice

Organic Chocolate & Wine Tasting

Treat yourself to a decadent tasting-sensation experience as we prepare for you a fine selection of organic locally-made gourmet chocolates and truffles prepared and combined with herbs and ingredients growing right off of the land here and around us. This tour of the taste-palette and senses continues as we pair your chocolate experience with specially-selected and imported organic wines from the region. For the ultimate chocolate, wine and tasting indulgence!

Join us for just the Chocolate & Wine Experience - ₡ 15,000 pp (groups of 2-4), ₡ 12,500 pp (groups of 5+)

Or as a complement to any one of our tours - ₡ 11,000 pp (groups of 2-4), ₡ 9,500 pp (groups of 5+)
